

AIRPORT SERVICES

The Albany International Airport operates 24 hours per day and sits on over 1,000 acres. It is only seven miles from downtown Albany and is accessible via several major interstate and state highways, including I-90 and the Northway (I-87). Over 40 businesses are located at the Airport including 14 airlines; five car rental agencies; Million Air, a fixed base operator; cargo carriers DHL, FedEx and UPS; the New York State Police and the Air National Guard. In addition, Eclipse Aviation will open its Northeast Factory Service Center at Albany in early 2007.

HANGAR RENTAL

Storage space is available in four heated hangars. Office and maintenance space is located adjacent to each hangar. Full service ground support is available for each hangar. Two ten unit T-hangar buildings are situated in the Southeast quadrant of the Airport. Additional T-hangars are planned for construction in 2006. Tie down locations and a self-service fueling station are also available adjacent to the T-hangars.

AIR CARGO

The Airport's 53,000 square foot air cargo facility's apron was recently expanded to 11 acres. It is located in the Northeast quadrant and is home to DHL, FedEx and UPS. In addition, Mobile Air Transport handles belly freight service for Delta, Southwest Airlines, Northwest, United Airlines and U.S. Airways. Albany is within 500 miles of more than half of the population of the United States and more than 60 percent of Canada's population making it an ideal location to handle cargo.

U.S. CUSTOMS

U.S. Customs maintains an office at the Airport with inspectors on-site from 8:30 a.m. to 4:30 p.m. each day. Inspectors are also on-call 24 hours a day to perform any necessary services.
