To whom it may concern;

The following information is being provided by the Albany County Airport Authority (“the Authority”) so that market participants may provide advice on the issuance of municipal securities or municipal financial products, including the investment of bond proceeds and escrow investments, and use the independent registered municipal advisor exemption of the municipal advisor rule.

The Authority has retained Public Resources Advisory Group (“PRAG”) as its independent registered municipal advisor. The Authority is represented by and will rely on its independent registered municipal advisors in considering information that the Authority receives from investment banking firms concerning the issuance of municipal securities and municipal financial products.

PRAG has advised the Authority that they are registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board. The personnel of PRAG who will advise the Authority on the issuance of municipal securities and municipal financial products (including those who participate in the management, direction, supervision, or performance of such activity) have represented to the Authority that they have not been associated with an investment banking firm within the two years prior to the date of this statement. This statement may be relied upon until January 31, 2024, unless withdrawn or modified by the Authority. Proposals by investment banking firms may be addressed to the Albany County Airport Authority, Finance Office, 737 Albany Shaker Road, Suite 204, Albany, NY 12211

Sincerely,

William J. O’Reilly
Chief Financial Officer
